

Local, National and Regional Climate Change Programme Symposium Day 2: Land and Water

Join us for a live-streaming webinar on March 14, 2017

All registrants will receive a link to the recording – so please register even if you cannot attend the live event.

The AGEDI Local, National and Regional Climate Change Programme (LNRCCP) was launched in 2013 with the aim of establishing a climate change work programme that could build upon, expand and deepen the understanding of vulnerability to the impacts of climate change in the UAE and the surrounding region, as well as identify practical adaptive responses at the local, national and regional levels. This work is driven by AGEDI's vision to enhance accessibility to environmental data and information to support effective decision-making. AGEDI has engaged stakeholders throughout the region around five thematic areas: Regional climate change, Environment, Water resources, Coastal zones, and Socio-economic systems.

Register now! <https://attendee.gotowebinar.com/register/5229520674929075459>

After registering, you will receive a confirmation email containing information about joining the webinar.

[View System Requirements](#)

All time in Gulf Standard Time (GMT+4)

The online session starts at 9:00 AM We recommend you join a few minutes beforehand - to give time to fix any equipment issues.

LAND	
09:00 – 09:05	Introduction to the day's topics
09:05 – 09:10	Local, national, regional context Simon Pearson, EAD
09:10 – 09:50	Regional atmospheric modelling, Q&A David Yates, NCAR
09:50 – 10:30	Regional Terrestrial biodiversity & climate change, Q&A Matt Fitzpatrick, Univ. of Maryland
10:30 – 10:45	Break
10:45 – 11:25	National Coastal vulnerability index, Q&A Gregg Verutes, National Audubon Society
11:25 – 12:10	How can this research be used in the UAE and region) David Yates, Matt Fitzpatrick, Gregg Verutes, Bill Dougherty
12:10 – 13:30	Lunch Break
WATER	
13:30 – 13:35	Local, national, regional context Mohamed Dawoud, EAD
13:35 – 14:15	Regional water-energy nexus and climate change, Q&A Paco Flores, Stockholm Environment Institute
14:15 – 14:55	National water-energy nexus and climate change, Q&A Stephani Galaitsi, SEI-US Water Resources Group
14:55 – 15:10	Break
15:10 – 15:50	Al Ain water resource & climate change, Q&A David Yates, NCAR
15:50 – 16:30	How can these results be used in the UAE and Region? David Yates, Paco Flores, Bill Dougherty
16:30 – 16:35	Wrap-up and overview
